UNITED WAY

DAY OF CARING.

United Way of the Greater Seacoast, 2010 Fall Day of Caring

The Day of Caring is a Community-wide day of hands-on volunteering in which United Way connects teams of volunteers from local businesses and community groups with local non-profit organizations to work on various projects that would not otherwise be completed.

Benefits

The Day of Caring demonstrates that volunteerism is vital to the well being of our community. It empowers people to work together to address some of the urgent needs facing our community. The event provides: a first-hand look at the services offered by community agencies; hands-on volunteer experiences; an excellent opportunity for employee team-building; and, it spotlights United Way's role in bringing volunteers together to advance the common good for all.

The Day of Caring Supports Community Impact

- Day of Caring demonstrates that volunteer efforts are vital to the well-being of our community.
- Day of Caring provides volunteers with a firsthand look at services provided by local nonprofit agencies making an impact on people lives.
- Day of Caring showcases our community's volunteer efforts and promotes the spirit of caring throughout the year.
- Day of Caring provides many local agencies with much-needed volunteer assistance.
