OUR MISSION:
Unite and mobilize communities to create positive, lasting change for people in need.

OUR GOALS:
Two foundations of better lives: Financial opportunity and Educational Success

Financial opportunity:
• Safe housing, healthy food, and quality childcare;
• Job training and placement;
• Access to financial tools and coaching.

Educational success
• Enter school ready to learn;
• Develop critical social and academic skills;
• Get support outside of school, stay in school, and graduate.

WHAT WE DO
OUR APPROACH

Unique and Effective

• We identify the most pressing issues and target resources to the areas of greatest need.

• We fund the most effective nonprofits, measure their progress, and provide them with extensive support.

• We provide unrestricted funds to our nonprofits. This allows funds to be used where they are needed most.

• We harness the power of communities working together – individuals, businesses, nonprofits, and government agencies – to deliver lasting change.

• We mobilize hundreds of volunteers to help those in need.
